

LIFE GROUP STUDY GUIDE

Joshua Chapter 8

1. Joshua didn't maintain focus and following in Chapter 7 but bounced back in Chapter 8.
 - a. When you know you've made a mistake, how do you respond?
 - b. What area of your response needs correction or an adjustment?
2. The model of God speaking, Joshua repeating it to Israel, and Israel obeying is repeated in this chapter.
 - a. What does this repetition show you about the importance of spending time with God?
 - b. What does it teach you about not straying from His Word?
 - c. What does it teach you about obedience?
3. In verse 18, God gives counsel to Joshua in the middle of the battle.
 - a. What lesson does this teach about God?
 - b. What lesson does this teach about leadership?
4. Joshua paused the military campaign to build an altar as Moses commanded.
 - a. How did this show Israel what was truly important?
 - b. What could've happened if they would've gone right into the next battle?
 - c. Where in your life are you too busy and unable to perform your God appointed responsibilities?
 - i. What needs to be paused or adjusted?
Your spiritual life or your busyness?
 - ii. How and where do you need to refocus on the Father?
