

# Faculty Appreciation Dinner

April 2023

## Many Praises!!!

1. **18** professors attended – only know of 2 being believers
2. Students did a fantastic job of expressing their appreciation (saw tears in some eyes)
3. Emcee, Dr. Ray Cross, **President Emeritus of the UW System**, was a clear and appropriate witness
4. One professor told me the event **“was just perfect”** when we asked for suggestions

## Attached Frontlines

I am passing on a copy of our **national publication** because the lower article on the front page is about **Natasha Rayne**, a professor at UW-River Falls. I worked with her for 6 years and then she took over the **Leadership Team** I put in place when I left to move to Madison.

## Prayer

Pray we **can meet individually** with all the profs who attended the *Faculty Appreciation Dinner*.

Last week I had a **newly hired professor**, his wife and 3 children (5, 3, and 1) over for dinner. Made a pizza casserole from one of Tamara’s recipes and they liked it!! A great way to build deeper relationships with those I **desire to train and disciple**.

Thanks so much for your love and prayers. God is answering in wonderful ways!

*In His amazing love and grace, Dave*
