

“Behold, the Lord’s hand is not shortened, that it can not save or His ear dull, that it can not hear. But your iniquities have made a separation between you and your God. And your sins have hidden his face from you so that He does not hear.” Isaiah 59 1-3

The bulk of Isaiah 59 paints a picture of complete and utter hopelessness. Man is living and reaping the results of their sin, yet the chapter ends with God’s promise of hope. “And a Redeemer will come to Zion, to those in Jacob who turn from transgressions,” declares the Lord (v20). God reveals more and declares.. “My Spirit that is upon you and my words that I have put in your mouth, shall not depart out of your mouth, or out of the mouth of you offspring, or out of the mouth of your children’s offspring.” (V21) Sin causes a great separation between us and God... yet it is God himself who has bridged that great divide. Luis is in need of fervent prayers. I met him 3 years ago at the punto. On my last visit south he confessed he is yet to have victory over his addictions. After sometime, he has now agreed to admit himself to “Dios Proveerá” for treatment. Dios Proveerá is a rehab center run by a group of Russians that we have come to know over the last few years. They are strong brothers in Christ and provide solid discipleship and teaching. Luis will be in good hands. Please pray over Luis daily. He agreed to a 6 month program, and he has the support of his family. If you would like to help him financially in this rehab program we would be grateful. I believe costs are about \$200 dollars a month, we also would like to provide some basic help for his family, Esther, Julia and his son while Luis is away. But most importantly please commit to intercessory prayer on his behalf. We are trusting God for a miracle.

Feb 24th and 25 Conference... Is fast approaching! We would like to invite you to attend the “Living Sacrifice” Conference. The registration flyer is enclosed with details. If registration fees are a concern please reach out to us, we desire to accommodate those who wish to attend but may not have the financial ability to do so. There are many servants of Christ that God is calling into deeper waters. Yet fear and uncertainty can prohibit one from making that step of faith. Over the years I have seen many choose not to obey what God has for them because the cost is considered too great. In a odd way, they grew convinced that they would lose what they have if they pursued God completely. Some others have confessed that they do not know what God desires of them. There is much wrestling that is done in regards to self and submitting to Gods plan. Yet the beauty in all of it, is if a servant of Christ is willing, they will be used as a powerful witness. Registrations are needed Feb 15th. We hope you can join us. Please contact us with any questions: 715-497-3311.
